

Are you prepared for the unexpected?

Coverage that covers you on or off the job..

Regardless of your occupation or your hobbies we cover you if you are injured at home, at work, at play or **ANY** activity whatsoever, 24hours a day... 365 days a year.

Supplemental insurance helps families handle the hidden costs of illness, injury and disability – the expenses major medical insurance typically doesn't cover. We cover costs associated with lost time due to an accident or illness.

Get your supplemental insurance from a company that's been in business for nearly a century – and earns high ratings for financial strength and management.

Every family is different, which is why I work with you to discover what's best for you and your family.
